

GENERAL POLICIES AND INFORMATION • 2010-2011

ACCESSIBILITY: The School facility is an Americans with Disabilities Act compliant building. There is a ramp leading up to the front door, an elevator that serves all of the programmable floors, and a lift to the Performance Space.

BUILDING LOCATION AND HOURS: The School is located at 24 East 95th Street, between Madison and Fifth Avenues. During the school year, the building is open Monday through Friday, from 8:30am until 9:00pm, and on Saturday from 9:00am until 5:00pm. During the summer, the building is open Monday through Friday, 9:00am until 5:00pm.

CHILD SAFETY: To ensure your child's safety, please pick him/her up promptly at the classroom. Students ten years of age and younger must be supervised by parents or guardians while they are waiting for classes and/or lessons to begin.

CLASS CHANGES AND CANCELLATIONS: The School reserves the right to change instructors or formats, or discontinue any class due to lack of enrollment, without incurring any liability or obligation. The School will notify students and/or parents as soon as possible regarding any changes or cancellations.

DISMISSAL: The School reserves the right to dismiss any student due to overdue tuition payments, parental noncompliance with School policies, or for any reason that the Executive Director believes is a serious impediment to a successful educational experience at the School.

EXTENDED PAYMENT PLANS: Parents/students may request extended payment plans. There is a \$40 fee for an extended payment plan, which is due to the School when the request for the extended payment plan is acknowledged and approved by the School. The annual tuition is divided equally over nine months (September through May) or over the number of months remaining in the academic year if the tuition is prorated. Monthly payments are due on the 1st of each month. Any requests for an extended payment plan must be arranged in writing with the Registrar by September 1, 2010 or prior to the first lesson or class if the student enrolls after September 1, 2010. Late tuition payments without a written arrangement for an extended payment plan will be considered an overdue account and charged as such. Even if a parent or student has had an extended payment plan in the past, he or she must contact the Registrar in writing to arrange for a payment plan for the 2010-2011 school year.

FINANCIAL ASSISTANCE: The School administers a financial assistance program for families or adult students with limited financial means. Families or adult students requesting aid must submit a Financial Aid Application Form with supporting documentation for any year in which aid is being requested, even if aid has been requested and/or received in the past. Financial assistance is provided subject to availability of funds. All financial aid recipients will automatically be enrolled in the extended payment plan with the plan fee waived.

Financial Aid awards are based on proven need as documented on the Financial Aid Application Form accompanied by an income tax return from both parents and/or guardians. Priority is given to returning students and students who apply by the following dates:

- Returning Early Childhood students receiving financial aid during the 2009-2010 school year, or new Early Childhood financial aid applicants enrolling prior to May 3, 2010 must submit all required documentation by May 7, 2010; or by September 1, 2010 if the student is enrolled on or after May 3, 2010.
- Returning Instrumental and Vocal students receiving financial aid during the 2009-2010 school year, or returning Instrumental and Vocal students applying for financial aid for the first time, must submit all required documentation by June 1, 2010.

Based upon the financial information presented on the financial aid form and verified in the supporting documentation, requests for financial assistance are evaluated by the Business Office and approved by the Executive Director. As a result of the evaluation, award amounts are allocated within the available and budgeted resources of the School. The School will begin notifying Early Childhood financial aid applicants in June and Instrumental and Vocal financial aid applicants in August. Please contact the Bookkeeper to request a Financial Aid Application Form.

LATE PAYMENT: A late payment charge of 2% on any overdue balance, per month, will be assessed on accounts that are 30 days or more in arrears. If an account is 60 days or more delinquent, The Diller-Quaile School of Music may advise parents that their child or children will not be permitted to attend classes or may be dismissed from the School until the account is placed on a current basis. Parents will be notified by the Business Office. Further, Diller-Quaile retains the right to collect the full unpaid tuition balance even if the child is not attending classes or is dismissed due to non-payment of tuition.
